A/Prof Harleen Kumar
SPECIALIST PAEDIATRIC DENTIST

BDSc DCD (Paed Dent) FPFA
Clinical Associate Professor, School of Dentistry,
Faculty of Medicine and Health,
The University of Sydney

Patient Information

Welcome to Associate Professor Harleen Kumar's specialist paediatric dental practice.

We look forward to meeting you and your child at the consultation appointment.

Our practice is located on **level 5, suite 503/35 Spring Street, Bondi Junction.**

Parking longer than 30 minutes is available at Eastgate shopping centre.

We recommend one or both parents attend the initial consultation appointment. This visit gives A/Prof Kumar an opportunity to meet you with your child. We are here to listen to your questions and address any concerns you may have.

Should you need to reschedule the appointment, we would appreciate at least 48 hrs notice so the time slot reserved for your child can be offered to another patient.

For young or anxious children, we recommend appointments earlier in the day.

If you have been referred by your dentist, please bring the referral letter and any x-rays taken.

A specialist consultation fee of $180 is payable on the day of presentation and additional charges are applicable if x-rays are taken ($65/ x-ray).

We thank you for choosing our practice and would like to assure you that every effort will be made to ensure that your child will be looked after and provided with the best possible care.

We are extremely proud of our team, comprising of caring and dedicated professionals.

Please do not hesitate to contact us on **02 9386 9600** or email us on **reception@kidsdentalsydney.com** if you have any queries.
